The Raiders were unable to stop Sam Scott during the course of the game and lost to Rustburg 71-53.

George Comes Home

Ed George, tackle for the Baltimore Colts comes home during his off season to visit his old hometown, Lynchburg.

In Ed's earlier years he attended E. C. Glass High School where he graduated and attended Ferrum Junior College for two years.

Ed, being successful in football went to Canada where he played for five years on the Montreal Alouettes football league.

Wanting to get back in the States, Ed got a chance to play for the Baltimore Colts. This is Ed's second year with the Colts as a tackle.

Most professional football players look for a safe and secure job after they retire from football.

I asked Ed what were his plans after football.

Ed has been working at Village Motors during his off season and likes the car business a lot. He said he looked all over town for a job and finally decided that Village Motors would become his choice. Luck was on his side as a job opening was available at this time. Now Ed is so interested in the car business he foresees his own dealership after he retires from football.

Ed, having bought a home in Boonesboro, plans to make Lynchburg home for his wife and child.

It was a delight talking to Ed about professional football and finding out how it really is to be a part of America's number one sport, football.

Brookville Wins

Rich Perkey, with 22 points, led Brookville's attack against the Raiders to win 61-56. Doug Barger and Bill Blythe for the Bees added their 10 and 13 points to put the Bees in double figures.

The Raiders had three men in double with David Kelso leading with 16 points. Ennoch Robinson was close behind with his 15 points while Bobo Trent claimed 11 markers.

Ennoch Robinson was high rebounder for the Raiders with 12. The Raiders were 23 for 60 from the court compared to 21 for 51 for Brookville.

A Brookville led at the foul line with 79% while shot 66%.

The Raiders trailed the entire game and were unable to stop a strong Brookville attack.

Park Service Announces Planning Meeting For Appomattox Park

The National Park Service will hold a public meeting at Appomattox February 25 to seek ideas from the public on a general management plan for Appomattox Court House National Historical Park.

A general management plan provides the basic guidelines for the protection and operation of the park by park managers.

"Although we have in hand a master plan prepared four years ago by a consulting firm, we encourage alternative suggestions," says park superintendent H. Gilbert Lusk.

The public meeting will be preceded by 10 small work shops at which various interest groups have been invited to submit their ideas.

"Our hope is that from this variety of input we will formulate a general management plan that will provide for the wisest use of our present resources and for future development. Once we have drafted a final plan, the public will be given a chance to review it," Lusk emphasized.

The public meeting will be held at Appomattox County High School., Wed., 25, 7:30 p.m. For further information, contact Superintendent, Appomattox Court House Naitonal Historical Park, P. O. Box 218, Appomattox, VA 24522 or call the park at 804-352-8987.
